ST DOMINICA HERITAGE TRAIL

BOHETHERICK AND HALTON QUAY

Turn left out of church car park and head down, then up hill, to junction. Turn right and follow road, bearing right round sharp corner at junction.

Turn right on Public Bridleway. Follow track through woodland, going left around sharp corner after old buildings, right at Radland Mill, over footbridge and up path to junction.

Go right at junction to track, then left down hill to road.

Go right almost immediately up grassy track. Follow path through woods, following waymarks. At stony track through wooden gate, turn left down to road for main walk.

① *Alternative return to village, turn right up Vogus Lane*

At road turn right and right again. Within a few meters go left through wooden gate onto grassy track in woods

Follow waymarks, noting Cotehele Mill through trees. Continue through woods past small path junctions to bigger junction of paths. (About ½ mile/15 mins)

② *Alternative to Cotehele House and Quay*

Take right path, through wooden gate and uphill along old green lane/stony track. Follow waymarks up lane to private car park at Trig House. Carry on to road and turn left.

As main road bears left continue straight on past house on left then right through the hamlet of Bohetherick. Continue down lane to T-junction.

③ *Alternative return via pub: cross road to small gate*

Turn left and follow lane downhill for about 1 mile (15 mins) to Halton Quay, ignoring lanes to right.

Continue to follow the road around houses at Halton Quay and then go right up the hill for around a mile (about 20 mins) past Burcombe Farm and on to Jubilee Cottages.

Go through gateway into field. Follow hedge on right to gate. Cross diagonally left across field to hedge boundary.

Continue downhill with hedge on left to gate at stream then up lane to another gate. Go right, then bear left around Smeaton Farms to meet road.

Cross road to signpost and over stile into field. Straight ahead to second stile. Follow old hedge line downhill to third stile. Down stone steps and right at road. At church go through gate and follow path down to car park.

ALTERNATIVE ROUTES TO SHORTEN WALK

① *To return to church via Vogus Lane turn right and walk up Vogus Lane, past cottages on right at the top and the School House, to road junction. Turn right to go downhill past Village Shop and into church yard and car park.*

② *For Cotehele House and Quay at junction of tracks turn left down to road. At road go right then left and pass in front of lime kilns. At road bear right then right at junction to cross bridge. Follow road along left bank of river to Cotehele Quay.*

③ *For shorter route via pub cross road to Public Footpath sign, through wooden gate, and follow edge of field to stile in hedge. Turn right down then at road below Quarry Farm turn left then right along green track. After bridge go left, through next gate, then right up track. At lane junction turn left up through hamlet of Burraton to cross roads, turn left to pub. At pub go left and keep left along grassy track to junction with another track, go right then left to re-join main road through village and back down hill to church.*

ASHTON

Turn right out of church car park and head up hill

Bear left at junction by Village Shop and continue up hill to first junction, turn left. Continue past cottages and then left, to edge of village.

At Public Footpath sign carry straight on down steep, partially tarmacked track. After lane levels path splits, take left fork down green lane.

Bear left down rocky track, over bridge past Radland Mill and follow track uphill bearing left then sharp right.

Continue along track to road

Turn left up hill, then right at road junction on corner and walk on past Watergate Cottage.

Continue along this road, up hill to next road junction

Bear left, then right over stile through hedge onto footpath and diagonally left across field in NW direction towards chimney on Kit Hill in distance

Go across small field, over steps on bank, in third field follow right hand hedge around edge of field to stile in hedge

If you turn right at the old green lane it takes you down to Barret's Mill - but our route goes left to road junction.

Continue straight over along lane, going downhill. Just before house go left through gateway into field

Additional path to Ashton Barton (the Manor House of Ashton). Take footpath through hedge on right across field to farm. At farm follow footpath to road and turn left. At junction turn left and go up hill to return to footpath on right.

Go through two fields following a vague green track in east direction with view to St Dominick village

Through gateway into third field and then to stile. Continue on track in same direction until road. Turn right downhill to road junction. Straight on up hill, round corner to another road junction. Turn left.

Follow road back to church and car park.
