		Indemnity Insurance. There was a discussion about trustees for the hall. Cllr Wilkins	
		confirmed that the Parish Council is a Custodian Trustee only.	
	b)	Community Shop	
		The Clerk had circulated a report from the Shop Committee with the papers for the	
		meeting. Cllr Brady asked if the Members had any questions.	
		Cllr Totterdell asked what costs the Steering Group is asking the Parish Council for. Cllr	
		Wilkins said that, to start with, it would be the cost of the Container and the £750 for	
		membership of the Plunkett Foundation. The Committee has applied to the Howton	
		Solar Fund for money but if this is granted it may be defrayed until the Container is in	
		situ so it would like £3500 + VAT to be loaned by the Parish Council, which it would	
		hope could be turned into a grant later down the line. Cllr Wilkins discussed the	
		possibility of money coming through a Public Works Loan. The pledges cannot be	
		called in until the Community Benefit Society is set up. Cllr Wilkins also said that it	
		would be good if the Parish Council could pick up any shortfall in funding.

		<ul> <li>Chq 001316 – L Coles, Clerk, July salary and office (no meeting in August)</li> </ul>	
		<ul> <li>Chq 001317 – HMRC, Clerk's July PAYE (no meeting in August)</li> </ul>	
	b)	Receipts. £24.00 has been received for advertising in the Trade Directory of the	
		Newsletter.	
	c)	Bank Reconciliations. It was RESOLVED to sign the bank reconciliations as correct for	
		June, proposed by Clir Totterdell, seconded by Clir Walker with all in favour.	
	d)	Grant money/loan for Community Shop (under GPC). Cllr Wilkins and Cllr Fry left the	
		room, Cllr Greene left the meeting. The Clerk as Responsible Financial Officer for the	
		Council detailed the Reserves that the Council has. She said that any money taken	
		from Reserves for this venture would have to be added to the Precept for 2020/21	
		because this is unbudgeted for expenditure in this year and the Council's Reserves	
		cannot sustain the amounts being asked for. The Clerk/RFO also pointed out that this	
		Council refused an increase of £600 to the Precept for 2019/20 against a carefully	
		balanced budget and to potentially now consider almost a 50% increase for 2020/21	
		would appear to be in conflict with the Council's stance on setting the Precept. A	
		Public Works Loan would be a commitment from the Parish Council to repay, over a	
		long term, money through the Precept. If the venture failed the Parish Council and the	
		public purse would still have to honour this commitment. There are huge penalties for	
		repaying a PWL early. The Clerk/RFO said that taking regard of all of the above and	

	grants for this year. It was <b>RESOLVED</b> to defer any decision to a meeting in August, when the appropriate documents have been made available for the Members to look	
	at and consider, and specific details of any requests are made clear. <b>Proposed by Clir</b>	
	Potter, seconded by Cllr Walker with all in favour.	
	Cllr Wilkins and Cllr Fry returned to the meeting.	
18	Any Other Business	
	The Clerk reported that The National Trust is querying the activity at Fursdon Farm	
	allotments. It would appear that some of the work carried out there is not 'in the spirit' of	
	the Lease. There was to have been a meeting on the 4 <sup>th</sup> July with the Clerk and Stephen	
	Morgan, National Trust, but this has been cancelled. The Clerk will wait for a new date to	Clerk
	be set and will then call upon the Members for them to attend also.	
	It was reported that Cllr Walker has addressed the concerns raised about the School. The	
	falling numbers is a national problem.	
19	Items for future Agendas.	
	No additional items brought forward.	
20	Date of next meeting.	

There being no further business the Chair closed the meeting at 9.45 pm
